ADDENDUM #1 TO
MONTANA DEPARTMENT OF TRANSPORTATION
INVITATION FOR BID
#HWY-309359-RP

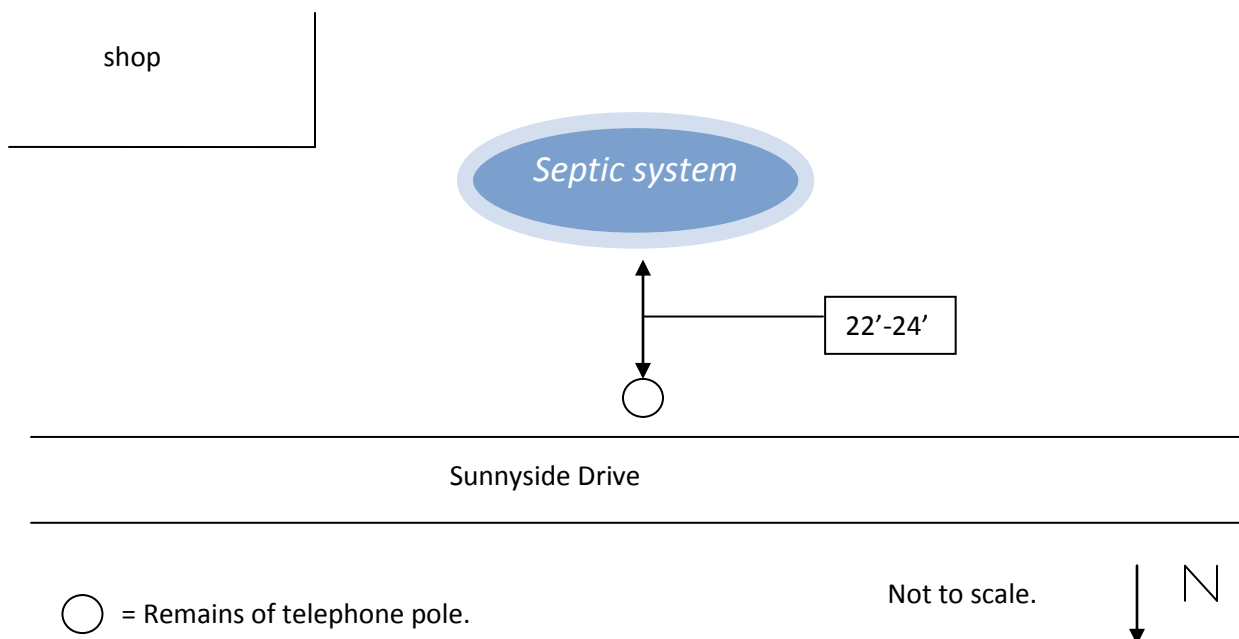

The purpose of this addendum is for the clarification of the septic system location at 1298 Sunnyside Drive and the debris piles located at 785 Foy's Lake Road on the Demolition/Removal State Owned Property Kalispell Bypass project.

Add the following to section 4.1.10.:

MT-NH-NCPD 15(76), Parcel 22, 1298 Sunnyside Drive, Kalispell, MT

SEPTIC SYSTEM

At the open house, there was some confusion as to the location of the septic system on this property, because the purported location of it is part of the parking lot. The previous landowner was contacted, and he confirmed that the septic system is located in the northwesterly portion of the property. He said that its location is approximately 22'-24' south of the remains of an old telephone pole along Sunnyside Drive that was cut off at ground level (see diagram below, which is being provided for illustration purposes only). He also said that bridge timbers were placed over the septic system to protect it since vehicles were driving over it.

Add the following to section 4.2.9.:

MT-NH-NCPD 15(76), Parcel 35, 785 Foys Lake Road, Kalispell, MT

DEBRIS PILES

In regard to the numerous debris piles scattered throughout the site, the Contractor is required to remove and properly dispose of all concrete, asphalt, yard debris, lumber and assorted other debris. The only items that the Contractor may leave in place are dirt and gravel.

All other terms, conditions, specifications and incidentals shall remain the same as originally stated in Invitation for Bid #HWY-309359-RP.

ADDENDUM ACKNOWLEDGEMENT:

_____ (Vendor Signature)

_____ (Date)

hereby acknowledge that I have received a copy of Addendum #1.

A copy of this signed addendum **MUST** be included with your bid response. Failure to include a copy of this addendum with your response will result in disqualification of your response.
